**Old Business.** Judge Garrett asked if anyone had found a new or used Roll-off Truck to purchase for Solid Waste. Madison County Judge Garrett had found a used 2023 Mack but it didn't meet all the specs as the new 2024 Mack from Bruckner's and with a \$20,000.00 difference. No other JPs had found any other trucks. There was some discussion about what Roll-Off truck would best fit the needs and funding for the truck. Bob Rawson made a motion to purchase the 2024 Mack Roll-off Truck from Bruckner's. The motion was seconded by Cord Riley. The motion and second then resulted in some discussion and with public comment Leslie Keen addressed the court once more to reiterate the need for the Roll-Off Truck. Bob Rawson, Cord Riley, Wendy Pettz, and Joe Wilson voted in favor. Jerry Yates, Sam Roddy, James Eaton, Jerry Yates, and Matt Cleaver voted against. 5 members against and 4 members for the purchase of the Roll-off Truck, motion fails.

**New Business.** D.E.M. Greg Wheeler showed a presentation about the 2024 Solar Eclipse.
